you are mine. When you

ONE DAY. ONE VOICE. ONE PURPOSE.

20 years of
observance

This year on the 20th anniversary of believers engaging in Orphan Sunday, join Christians across the globe standing *with* foster, orphaned and vulnerable children.

20 years of observance

1. **Understand the call:** study God's Word for His love for the fatherless and His call for our engagement.
2. **Access Resources & Plan:** how can you share the call to your church or community?-A dedicated time of prayer, a video in a morning service, a sermon, Sunday School lesson, information booth, guest presenter, fundraising, parent support banquet?
3. **Execute & Pray:** Commit your plans to the Lord, follow His lead, educate and engage your circle and bring them together to PRAY with thousands of others around the globe for vulnerable children on November 6 & 7.
