

“DEFEND THE CAUSE OF THE FATHERLESS.”  
isaiah 1:17

## PRAY FOR ORPHANED & VULNERABLE CHILDREN

### PRAY FOR ORPHANED CHILDREN

Today, pray for orphaned children around the world who have lost their families; that families and government authorities would work quickly, and with integrity, to place these children into forever families.

Read: James 1:27

### PRAY FOR VULNERABLE CHILDREN

Today, pray for vulnerable children who find themselves without a voice; that they would hear and receive the hope of the Gospel; that they would trust in the Lord to provide for their physical, emotional and spiritual needs. Pray that the Lord would continue to raise up advocates to speak on behalf of these precious children.

Read: Proverbs 31:8-9

### PRAY FOR FAMILIES

Today, pray for the Lord to burden families with the needs of orphaned and vulnerable children in their community and around the world; that they would answer the call to adopt, care for children in foster care and/or pursue other avenues of caring for the fatherless using their time, talent, and resources that God has given them.
